We're best friends!

Ah. Including Pu Reun, there are three of us.
Should I call her a friend, even though she's a girl?

Anyway... The three of us are always together.

They're Gian Gim and Noan Gim who are twins.
They're from the next school,
who are always willing to fight.

I don't know why they always attack us when they always get beaten.

Me and San Gang are quite popular in this district.

We are handsome.
That's why we're pretty popular... Hmm...Hm.

San Gang was famous ever since he was in middle school.
He influenced me a lot in my life.

When we were young, San Gang and me were equals.

When we went to different middle schools,
our lives became different.

Then one day...

Ugh.. it's San Gang's group
I should ignore them and go past them quickly

Hey!
Geum JeGal!

Are you not going to say hello to him? He's my best friend!
Hello.
Ah! Hello,
Nice to meet you!
Hello!

I thanked him.

I was proud that I was San Gang's friend.

I haven't smoked before...
but I didn't want to disappoint San Gang.

I didn't want to look weak.

Sfx. Shake shake

I heard about it later,
But everybody knew that I was smoking for the first time.

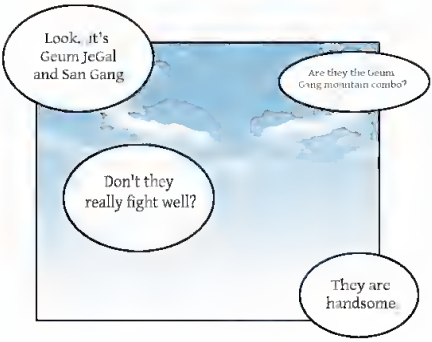
I only took a short breath when I was smoking it...

That's how I learned how to smoke.

And me and San Gang started to go out together after that.

We smoked together and fought together,
we didn't study much anymore,
and we lived by not thinking about it much.

T/N There is a mountain called Geum Gang in Korea.



Somehow the years passed by just like that.

Even Pu Reun started smoking, too.

She was close to us, but
when she was called by the popular girls
and kids her own age, she learned
how to smoke because she wanted to hang out with them.

Women are really complicated.

I confessed to her super quickly.

On that day, I...
